Kindy Bus Service
Bus Zone
Is located in front of the Kindy on West Terrace.
Please keep this space free at all times!

Rural children may apply to the Ardrossan Area School to gain permission to travel to kindy on the school bus.
Please note on Catastrophic Days during bushfire season although the kindy will remain open buses will not run.

Arrival and Departure of Children
Parents and/or Caregivers MUST enter the Kindergarten building to deliver and collect children.
Children need to be signed in and out on the forms on the table near the door. NO child will be permitted to leave the Centre until a Parent or Caregiver has entered the inside of the building and the child has been farewelled by staff. PLEASE if you would like your child to be picked up by another adult, please let a staff member know. If you are running late please phone the centre on 88373284, so we can reassure your child that you are coming.
It can be an upsetting time when all other children are leaving and your child isn't.
If your child has not been picked up after a session this is the procedure staff take.
  - Wait 15 minutes then phone call to parents.
  - If no response, phone call to emergency contacts.
If no response and child still hasn’t been collected staff will call the Police.
Police are notified as the child is put into their care until parents can be located.
**Parent Involvement**

We encourage you as parents/caregivers, to spend time in our sessions and join in our various curriculum activities. Your interest is most beneficial to your child feeling good about themselves and recognise the importance of what they are doing.

This is your centre and our aim is that you will take every opportunity to be involved.

**You can also help by:**
- Offering to spend a session or part thereof to assist.
- Helping to transport or come on excursions outside of the centre.
- Maintenance tasks, which are sometimes done at a working bee, or at another time that is convenient to you.
- Participating in fundraising activities and special events.
- Placing your name on the cleaning roster.

**Governing Council**

The Governing Council is responsible for the operation and management of the Kindy, i.e. fundraising, maintenance and development of buildings, grounds and facilities, budget, finance, policies and programs that the Kindy may undertake. We need your participation and ongoing support.

Meetings are held twice a the term.

**Our meetings are open for everyone to attend and as a new family to the Kindy, you are very welcome to come along and join us and see what goes on.**

**Parent Noticeboard**

At the Kindy there are noticeboards with relevant information for you to read and keep up to date with what is happening at Kindy including other community information.

**Curriculum**

At Ardrossan Kindy we provide a warm, supportive and secure environment. We promote play-based learning where children can move and choose activities to learn from. Explicit teaching opportunities are also used to develop children's learning. We also promote child choice - where the children choose their learning activities.

Any one activity may cover one or more of the learning areas from the curriculum framework: Belonging, Being & Becoming (The Early Years Framework). Learning Areas: Children have a strong sense of identity; Children are connected with and contribute to their world; Children have a strong sense of wellbeing; Children are confident and involved learners; Children are effective communicators. We also use the You Can Do It! Program which has focus units of confidence, persistence, organisation, getting along and resilience. We have a cooking program and skill focus program as well as a strong literacy focus.

Our Kindergarten promotes each child’s self esteem, social skills and skills for life.

Our program is planned to include children’s skill levels and interests based on their previous experiences and knowledge.

**What does your child need?**

**Bag**

We encourage children to be responsible for their own belongings and to keep them in their lockers. A Kindy bag helps in this process. Please name the bag and add some type of visual identification e.g. key ring/luggage tag as this will assist your child finding their bag.

**Fruit**

Each child is encouraged to bring fruit to eat during our fruit time which is at 10:00am each morning.

Fruit stays in the snack box so please pack with an ice brick during warmer weather.

On Wednesday mornings you need only send a piece of fruit or vegetable to share.
Lunch
Sandwiches, fruit and a healthy treat are popular, but trust your own judgement and knowledge of your child’s eating habits in consultation with our Healthy Eating and Nutrition policy.
Please no lollies and high fat or sugary content foods.
Lunchtime is around 11:45am where children sit at the tables and eat their lunch before relaxation. Lunch boxes (with a name written on the front) are placed into the fridge by staff once all children have arrived and are put out on tables ready for children at lunchtime.

Water Bottles
Water is the most thirst quenching drink and is good for the brain. Please send your child a water bottle (named) so they can drink water throughout the Kindy day. Water bottles are to be placed in the crate near the door for easy access.

Hat and Sunscreen
When the UV rating is over 3; children will not be permitted to play outside unless they are wearing a sun smart hat (broad brimmed, legionnaire style or bucket hats) Caps are not sun smart. Please check that hats are in Kindy bags each day. Staff will tell children in the morning when it is a day for hats outside. Please apply sunscreen before arrival at Kindy. Staff will assist children reapply at lunchtime. Forgot sunscreen?? Sunscreen is kept on the shelf in the kitchen, please help yourself to use.

Articles Named
Can you please make sure your child’s belongings are named, especially bags, hats, clothing (e.g. coats, jumpers, etc.), lunchboxes and lids. Please check the lost property box regularly. Any items left at the end of the term will be given to charity.

Clothes
Please send children to Kindy wearing sun safe clothing (tops must have sleeves). We sell Polo’s and bucket hats with the Kindy logo. These are a good idea and you can make them “Kindy clothes”. Please don’t send your child to Kindy in their best clothes. Paint, glue and sand all take their toll on clothes. During activities especially during warm weather we have lots of water activities. It is a good idea to send along a change of clothes including underwear. The Kindy has a supply of spare clothes in case of accidents. If your child has had to wear Kindy clothes, please wash and return them as soon as possible. If your child is prone to “accidents” please keep a spare set of clothes in their bag.

Communication Book
You will receive a communication book which is to be brought to Kindy everyday. It is used to write notes to staff about any issues, different arrangements or absences, and staff to write notes to parents.

Other Policies
Please read through the following policies included in the Parent pack or check our website for links to all policies required at our Kindy.

- Grievance Procedure
- Guiding Children’s Behaviour including Antibullying
- Sunsafe and Hot Weather Policy
- Healthy Eating

Other Useful Information

Car park
Car parking is available to the side of the Kindy, off Maitland Road, as well as in the car park behind the kindy.

No Smoking Policy
DECD has implemented a “Smoke Free Environment Policy”. This policy prohibits smoking at all times in indoor and outdoor areas of Kindergartens, Schools and Child Care Centres. Anyone smoking inside the boundary fence or within 30 metres of entrance gates of our centre, will be asked politely to put out
his or her cigarette or go outside the fence to smoke. This policy includes all activities; i.e. pooled lunches, working bees, Twilight Kindy sessions, excursions and fundraising events.

**Enrolment Details**
If you have a change of address, phone number, emergency contact, children’s medication etc. that differs from that given to us at the time of enrolment, please speak to staff to update your details.

**Medication/Illness**
If your child requires medication during a Kindy session, please see a staff member, as there are forms that need to be completed (this includes Asthma Puffers). Those children with an asthma plan or puffer need to have their medicine kept in the kitchen are at the Kindy—not in their bags, please inform staff. Please do not send your child to Kindy if they feel unwell. The best place for them is at home, where they can receive the care that they need. Also it is not reasonable to expose other children or staff to unnecessary germs. If your child becomes ill at Kindy we will contact you.
Please notify staff if your child is suffering from any infectious illness.
